

ONTARIO GOVERNMENT NOTICE
NOTICE OF COMPLETION – HIGHWAY 410 IMPROVEMENTS
SOUTH OF QUEEN STREET TO NORTH OF BOVAIRD DRIVE, W.O. #17-20005
PRELIMINARY DESIGN & CLASS ENVIRONMENTAL ASSESSMENT STUDY

The Study

The Ontario Ministry of Transportation (MTO) has retained AECOM Canada ULC. (AECOM) to undertake a Preliminary Design and Class Environmental Assessment (EA) Study for Highway 410 Improvements. The study limits extend from South of Queen Street to North of Bovaird Drive. The study includes widening of Highway 410 to provide additional mainline capacity in each direction through reconstruction of the existing median and lanes. The implementation of dedicated High Occupancy Vehicle (HOV) lanes has been considered to provide continuation northerly of the existing HOV lane termination south of Clark Boulevard. In addition, the Study included an assessment of bridges, culverts, retaining walls, noise walls etc., along with considerations of upgrades to illumination and traffic signals. The Study Area is located within the City of Brampton and Regional Municipality of Peel, refer to the Study Area map.

The Process

This Study has followed the approved planning process for a Group 'B' project under the MTO Class Environmental Assessment for Provincial Transportation Facilities (*amended 2000*) (Class EA). Opportunities for public input were provided throughout the project and a Public Information Centres (PIC) was held for this Study on May 29, 2024.

A Transportation Environmental Study Report (TESR) has been prepared for this study which provides information on the process that has been followed leading to the selection of the Recommended Plan, the environmental effects and proposed mitigation measures, as well as the technical findings of the Study. **Visit us at:** www.hwy410queentobovaird.ca

Comments

The TESR is available for a 30-day public and agency comment period commencing Friday, May 15 and ending Monday, June 15 on the project website at <https://hwy410queentobovaird.ca/documents-links/>. Interested persons may provide written comments by June 15 through the project website or to the following Project Team members:

Parshad Patel, M.Eng.
Senior Project Manager
Ministry of Transportation
Project Delivery Section – Peel/Halton
159 Sir William Hearst Avenue, 4th Floor
Toronto, Ontario M3M 0B7

Tim Sorochinsky, P.Eng.
Consultation Project Manager
AECOM Canada ULC
105 Commerce Valley Drive West, 8th Floor
Markham, Ontario L3T 7W3
Toll Free #L 1-844-698-9876
projectteam@hwy410queentobovaird.ca

In addition, a request may be made to the Ministry of the Environment, Conservation and Parks for an order requiring a higher level of study (i.e., requiring a comprehensive EA approval before being able to proceed), or that conditions be imposed (e.g., require further studies), only on the grounds that the requested order may prevent, mitigate or remedy adverse impacts on constitutionally protected Aboriginal and treaty rights. Requests on other grounds will not be considered. Requests should include the requester contact information and full name.

Requests should specify what kind of order is being requested (request for additional conditions or a request for a comprehensive environmental assessment), how an order may prevent, mitigate or remedy those potential adverse impacts, and any information in support of the statements in the request. This will ensure that the ministry is able to efficiently begin reviewing the request. The request should be sent in writing or by email to the Ministry of Transportation Senior Project Manager listed above and to:

Minister of the Environment, Conservation and Parks
777 Bay Street, 5th Floor
Toronto, Ontario M7A 2J3
e-mail: Minister.mecp@ontario.ca

Director, Environmental Assessment Branch
Ministry of the Environment, Conservation and Parks
135 St. Clair Avenue West, 1st Floor
Toronto, Ontario M4V 1P5
e-mail: EABDirector@ontario.ca

Information collected will be used in accordance with the *Freedom of Information and Protection of Privacy Act, R.S.O. 1990, c. F.31*. With the exception of personal information, all comments will become part of the public record.

If you have any accessibility requirements in order to participate in this Project, please contact the Project Team as listed above. Renseignements en français disponibles en composant le 1-226-753-6683 (Megan Sanderson) ou megan.sanderson@aecom.com.
